1 Introduction

The Department of Enterprise, Trade and Employment (DETE) is the competent authority in Ireland with responsibility for implementing the various measures that have been adopted concerning trade sanctions.

In response to the ongoing situation in Ukraine the EU has introduced a number of restrictive measures in relation to the Donetsk and Luhansk oblasts of Ukraine, Russia and Belarus. The overall sanctions packages comprise targeted restrictive measures on a number of individuals and entities, restrictions on economic relations with the Donetsk and Luhansk oblasts, financial restrictions against Russia and a number of import and export prohibitions in relation to Russia and Belarus.

Revenue's Customs Service assists DETE in the control of imports and exports subject to these measures and have implemented customs controls to give effect to these measures.

2 Legislation

The full list of items to which the restrictions apply is specified in the EU Regulations:

[Council Regulation \(EU\) 2022/263 of 23 February 2022 concerning restrictive measures in response to the recognition of the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine and the ordering of Russian armed forces into those areas](#)
